

TITLE 26 - INTERNAL REVENUE CODE**Subtitle A - Income Taxes****CHAPTER 1 - NORMAL TAXES AND SURTAXES****Subchapter B - Computation of Taxable Income****PART III - ITEMS SPECIFICALLY EXCLUDED FROM GROSS INCOME****§ 125. Cafeteria plans****(a) General rule**

Except as provided in subsection (b), no amount shall be included in the gross income of a participant in a cafeteria plan solely because, under the plan, the participant may choose among the benefits of the plan.

(b) Exception for highly compensated participants and key employees**(1) Highly compensated participants**

In the case of a highly compensated participant, subsection (a) shall not apply to any benefit attributable to a plan year for which the plan discriminates in favor of—

(A) highly compensated individuals as to eligibility to participate, or

(B) highly compensated participants as to contributions and benefits.

(2) Key employees

In the case of a key employee (within the meaning of section 416 (i)(1)), subsection (a) shall not apply to any benefit attributable to a plan for which the statutory nontaxable benefits provided to key employees exceed 25 percent of the aggregate of such benefits provided for all employees under the plan. For purposes of the preceding sentence, statutory nontaxable benefits shall be determined without regard to the second sentence of subsection (f).

(3) Year of inclusion

For purposes of determining the taxable year of inclusion, any benefit described in paragraph (1) or (2) shall be treated as received or accrued in the taxable year of the participant or key employee in which the plan year ends.

(c) Discrimination as to benefits or contributions

For purposes of subparagraph (B) of subsection (b)(1), a cafeteria plan does not discriminate where qualified benefits and total benefits (or employer contributions allocable to qualified benefits and employer contributions for total benefits) do not discriminate in favor of highly compensated participants.

(d) Cafeteria plan defined

For purposes of this section—

(1) In general

The term “cafeteria plan” means a written plan under which—

(A) all participants are employees, and

(B) the participants may choose among 2 or more benefits consisting of cash and qualified benefits.

(2) Deferred compensation plans excluded**(A) In general**

The term “cafeteria plan” does not include any plan which provides for deferred compensation.

(B) Exception for cash and deferred arrangements

Subparagraph (A) shall not apply to a profit-sharing or stock bonus plan or rural cooperative plan (within the meaning of section 401 (k)(7)) which includes a qualified cash or deferred

arrangement (as defined in section 401 (k)(2)) to the extent of amounts which a covered employee may elect to have the employer pay as contributions to a trust under such plan on behalf of the employee.

(C) Exception for certain plans maintained by educational institutions

Subparagraph (A) shall not apply to a plan maintained by an educational organization described in section 170 (b)(1)(A)(ii) to the extent of amounts which a covered employee may elect to have the employer pay as contributions for post-retirement group life insurance if—

- (i) all contributions for such insurance must be made before retirement, and
- (ii) such life insurance does not have a cash surrender value at any time.

For purposes of section 79, any life insurance described in the preceding sentence shall be treated as group-term life insurance.

(D) Exception for health savings accounts

Subparagraph (A) shall not apply to a plan to the extent of amounts which a covered employee may elect to have the employer pay as contributions to a health savings account established on behalf of the employee.

(e) Highly compensated participant and individual defined

For purposes of this section—

(1) Highly compensated participant

The term “highly compensated participant” means a participant who is—

- (A) an officer,
- (B) a shareholder owning more than 5 percent of the voting power or value of all classes of stock of the employer,
- (C) highly compensated, or
- (D) a spouse or dependent (within the meaning of section 152, determined without regard to subsections (b)(1), (b)(2), and (d)(1)(B) thereof) of an individual described in subparagraph (A), (B), or (C).

(2) Highly compensated individual

The term “highly compensated individual” means an individual who is described in subparagraphs ¹ (A), (B), (C), or (D) of paragraph (1).

(f) Qualified benefits defined

For purposes of this section, the term “qualified benefit” means any benefit which, with the application of subsection (a), is not includible in the gross income of the employee by reason of an express provision of this chapter (other than section 106 (b), 117, 127, or 132). Such term includes any group term life insurance which is includible in gross income only because it exceeds the dollar limitation of section 79 and such term includes any other benefit permitted under regulations. Such term shall not include any product which is advertised, marketed, or offered as long-term care insurance.

(g) Special rules

(1) Collectively bargained plan not considered discriminatory

For purposes of this section, a plan shall not be treated as discriminatory if the plan is maintained under an agreement which the Secretary finds to be a collective bargaining agreement between employee representatives and one or more employers.

(2) Health benefits

For purposes of subparagraph (B) of subsection (b)(1), a cafeteria plan which provides health benefits shall not be treated as discriminatory if—

- (A) contributions under the plan on behalf of each participant include an amount which—

NB: This unofficial compilation of the U.S. Code is current as of Jan. 5, 2009 (see <http://www.law.cornell.edu/uscode/uscprint.html>).

- (i) equals 100 percent of the cost of the health benefit coverage under the plan of the majority of the highly compensated participants similarly situated, or
- (ii) equals or exceeds 75 percent of the cost of the health benefit coverage of the participant (similarly situated) having the highest cost health benefit coverage under the plan, and

(B) contributions or benefits under the plan in excess of those described in subparagraph (A) bear a uniform relationship to compensation.

(3) Certain participation eligibility rules not treated as discriminatory

For purposes of subparagraph (A) of subsection (b)(1), a classification shall not be treated as discriminatory if the plan—

(A) benefits a group of employees described in section 410 (b)(2)(A)(i), and

(B) meets the requirements of clauses (i) and (ii):

(i) No employee is required to complete more than 3 years of employment with the employer or employers maintaining the plan as a condition of participation in the plan, and the employment requirement for each employee is the same.

(ii) Any employee who has satisfied the employment requirement of clause (i) and who is otherwise entitled to participate in the plan commences participation no later than the first day of the first plan year beginning after the date the employment requirement was satisfied unless the employee was separated from service before the first day of that plan year.

(4) Certain controlled groups, etc.

All employees who are treated as employed by a single employer under subsection (b), (c), or (m) of section 414 shall be treated as employed by a single employer for purposes of this section.

(h) Special rule for unused benefits in health flexible spending arrangements of individuals called to active duty

(1) In general

For purposes of this title, a plan or other arrangement shall not fail to be treated as a cafeteria plan or health flexible spending arrangement merely because such arrangement provides for qualified reservist distributions.

(2) Qualified reservist distribution

For purposes of this subsection, the term “qualified reservist distribution” means,² any distribution to an individual of all or a portion of the balance in the employee’s account under such arrangement if—

(A) such individual was (by reason of being a member of a reserve component (as defined in section 101 of title 37, United States Code)) ordered or called to active duty for a period in excess of 179 days or for an indefinite period, and

Treatment of Pre-1989 Elections for Dependent Care Assistance Under Cafeteria Plans

Section 6063 of Pub. L. 100–647 provided that: “For purposes of section 125 of the 1986 Code, a plan shall not be treated as failing to be a cafeteria plan solely because under the plan a participant elected before January 1, 1989, to receive reimbursement under the plan for dependent care assistance for periods after December 31, 1988, and such assistance is includible in gross income under the provisions of the Family Support Act of 1988 [Pub. L. 100–485, see Tables for classification].”

For provision that for purposes of section 125 of the Internal Revenue Code of 1986, a plan shall not be treated as failing to be a cafeteria plan solely because under the plan a participant elected before January 1, 1988, to receive reimbursement under the plan for dependent care assistance for periods after December 31, 1987, and such assistance included reimbursement for expenses at a camp where the dependent stays overnight, see section 10101(b)(2) of Pub. L. 100–203, as added by Pub. L. 100–647, set out as an Effective Date of 1987 Amendment note under section 21 of this title.

Section 531(b)(5) of Pub. L. 98–369, as amended by Pub. L. 99–514, title XVIII, § 1853(b)(2), (3), Oct. 22, 1986, 100 Stat. 2870, 2871, provided that:

NB: This unofficial compilation of the U.S. Code is current as of Jan. 5, 2009 (see <http://www.law.cornell.edu/uscode/uscpri.html>).

“(A) General transitional rule.—Any cafeteria plan in existence on February 10, 1984, which failed as of such date and continued to fail thereafter to satisfy the rules relating to section 125 under proposed Treasury regulations, and any benefit offered under such a cafeteria plan which failed as of such date and continued to fail thereafter to satisfy the rules of section 105, 106, 120, or 129 under proposed Treasury regulations, will not fail to be a cafeteria plan under section 125 or a nontaxable benefit under section 105, 106, 120, or 129 solely because of such failures. The preceding sentence shall apply only with respect to cafeteria plans and benefits provided under cafeteria plans before the earlier of—

“(i) January 1, 1985, or

“(ii) the effective date of any modification to provide additional benefits after February 10, 1984.

“(B) Special transition rule for advance election benefit banks.—Any benefit offered under a cafeteria plan in existence on February 10, 1984, which failed as of such date and continued to fail thereafter to satisfy the rules of section 105, 106, 120, or 129 under proposed Treasury regulations because an employee was assured of receiving (in cash or any other benefit) amounts available but unused for covered reimbursement during the year without regard to whether he incurred covered expenses, will not fail to be a nontaxable benefit under such applicable section solely because of such failure. The preceding sentence shall apply only with respect to benefits provided under cafeteria plans before the earlier of—

“(i) July 1, 1985, or

“(ii) the effective date of any modification to provide additional benefits after February 10, 1984.

Except as provided in Treasury regulations, the special transition rule is available only for benefits with respect to which, after December 31, 1984, contributions are fixed before the period of coverage and taxable cash is not available until the end of such period of coverage.

“(C) Plans for which substantial implementation costs were incurred.—For purposes of this paragraph, any plan with respect to which substantial implementation costs had been incurred before February 10, 1984, shall be treated as in existence on February 10, 1984.

“(D) Collective bargaining agreements.—In the case of any cafeteria plan in existence on February 10, 1984, and maintained pursuant to 1 or more collective bargaining agreements between employee representatives and 1 or more employers, the date on which the last of such collective bargaining agreements terminates (determined without regard to any extension thereof agreed to after July 18, 1984) shall be substituted for ‘January 1, 1985’ in subparagraph (A) and for ‘July 1, 1985’ in subparagraph (B). For purposes of the preceding sentence, any plan amendment made pursuant to a collective bargaining agreement relating to the plan which amends the plan solely to conform to any requirement added by this section (or any requirement in the regulations under section 125 of the Internal Revenue Code of 1954 [now 1986] proposed on May 6, 1984) shall not be treated as a termination of such collective bargaining agreement.

“(E) Special rule where contributions or reimbursements suspended.—For purposes of subparagraphs (A) and (B), a plan shall not be treated as not continuing to fail to satisfy the rules referred to in such subparagraphs with respect to any benefit provided in the form of a flexible spending arrangement merely because contributions or reimbursements (or both) with respect to such plan were suspended before January 1, 1985.”
